Off Hours

I studied ballet for 15 years and taught yoga and Zumba for ten. I am a huge nerd and love getting together with my D&D group, going to ren faires and cons and I will happily quote Lord of the Rings at any moment. I have recently found a passion for genealogy and family research and would love to visit the places my ancestors came from. My desert island movie is An American in Paris and my number 1 bucket list item is to swim with sharks!
